Please be informed that long-term intermittent partial lane closures along a stretch of Jalan Sultan Azlan Shah (towards Komtar) will be implemented from 10 November 2025 to 20 December 2026. The closure will be implemented from 10:00 pm to 5:00 am. The traffic management plan is as follows:

The implementation of the closures will involve the left-most lane over a 300-metre stretch between the Road Transport Department Batu Uban and Sunny Point junction. However, the middle lane and right lane will remain open for traffic during this period (as indicated in the attached map).

This closure is necessary to facilitate preliminary works for the Penang Light Rail Transit (LRT) Project: Mutiara Line – CMC1 Package, which includes relocation of drainage and road widening works.

Motorists are advised to follow directional signage. During the closure period, the PML Project Emergency Response Team will be on-site to assist with traffic management.
